Summary of Legislation: (Amended) This bill urges the Legislative Council to assign as a study topic during the legislative interim of the issue of whether a student or the parent of a student who believes the student has been improperly denied participation in an educational function or subjected to an illegal rule or standard should be entitled to a hearing with the school corporation's superintendent, upon request of the student or parent.

Effective Date: July 1, 2010.

Background: The Interim Study Committee on School Funding Formula was established in P.L. 182-2009 (SS) as a two year committee that deals with education. Other interim committees operate under the policies governing study committees adopted by the Legislative Council.
